### FEES

Please pay fees one week before the start of term. If you are unable to do this or you are unsure of what you should pay, please email [admin@overthemoonstudio.com](mailto:admin@overthemoonstudio.com) and let us know.

Check the calculation table for what you should pay.

#### The Table of Fees are calculated according to the formulas below:

Most children attend one class per week, however if your child attends more than one class per week the following sliding scale applies:

The first class a child attends is \$145 per term

The second class is \$120 per term

Concession: The first class a child attends is \$135 unwaged, meaning on a pension.

Any extra classes are the same as the above.
