INVOICE

Please note the attached invoice is not specific for each family, if this is unclear, please contact Robyn as soon as possible, at the beginning of the term. Please don't forget to pay performance levy of \$45 for each school age child in the OTM performance

IMPORTANT

We have a student for whom exposure to chickenpox would be very dangerous. If your child has been exposed to chicken pox, could you please keep them home / not send them to dancing. The rash usually occurs about 2 weeks after exposure, but kids are contagious a few days before the rash comes out. Children continue to be contagious until all blisters have crusted over. This does not apply to children who are immunised against chicken pox (varicella). Please speak to Edna if you have any queries about the above

We have students at OTM who have a very severe reaction to certain foods, therefore we would really prefer that food wasn't consumed in the kitchen please. This makes it easier and, possibly less scary, for teachers. The cleaners don't mind either!

Dress Code for Classes

Students need to wear appropriate dancewear - such as leotards, leggings. Track pants and t-shirts are fine though jeans are not. Hair needs to be tied back off the face – stretchy black headbands are excellent.

Importantly, students need to have clean feet and clothes. If they are coming after school and likely to have dirty clothes some spare dancewear in the schoolbag may be a good strategy.

Dancewear (including ballet shoes) is available at a dance shop - Dance Your Way 113 High St., Kangaroo Flat. Ph.54474988

Important

Teachers cannot be responsible for students before or after class
